MINUTES for: 02.11.22

This is what we discussed and the decisions we made during our meeting:

1. Welcome and School Council rules:
2. Children in Need Day – letter to parents

Fraser and Martha will be writing our letter to parents so they know we will be dressing up next Friday for Children in Need. We can choose to dress up in funny, bright and/or spotty clothes to support Children in Need who help children all over the country.

3. Ongoing activities and projects from last year

We discussed continuing some of the projects which were started by School Council last year such as

- 20's plenty

- Improving the shelter

We will be finding ways of making this a more comfortable, sheltered space and adding books for everyone to enjoy.

4. Suggestions box

The School Council suggestion box will be on the table outside of the office so that everyone can contribute their ideas and suggestions for improving the school at any time.

5. House Points

Our new house team names are:

Darwin (Earth)
Thunberg (Water)
Coleman (Air)
Tesla (Fire)

The winning designs have been selected and will be presented in assembly. They have been sent off to a graphic designer and we will be finalising the designs with him in the coming weeks. We are looking forward to sharing our House shields with you very soon.

Do you have any ideas you would like us to bring up at School Council?

Thank you,
