### MINUTES for: 17.01.2023

This is what we discussed and the decisions we made during our meeting:

#### 1. Children in Need Day

**Thank you to everyone for getting involved with Children in Need. We raised £101! Well done everyone!**

#### 2. 20's Plenty

## 20's Plenty for Us

...making your place a better place to be

We have decided, along with the children from Goldsborough to send letters to our local MP to ask for the speed limit to be reduced outside of school. This week, we have planned our letters to the local council and at our next meeting we will be writing and creating posters to share with the local residents and the council. If you would like to get involved, please just ask us and we will give you the information you need to make your own poster.

#### 3. Improving the shelter

This week we have also discussed the shelter and what we would like to do to improve it for the Spring and Summer. Some of our ideas include:

What do you think we could do to improve the shelter further? What ideas do you have to raise money for this project?

#### Class suggestions:

- Raise money by having a sponsored table tennis tournament
- Sponsored mile on the playground
- Bun sale
- Seed sale (sell seeds and plant them around the shelter)

## 4. Suggestions box

Suggestions in the box last half term included:

## 5. House Points

Our new house shields have been revealed this week and Housepoints will begin on Monday 23rd. At the end of each week, the prefects will collect in the House Point charts from each class and they will be counted and added to our running totals. At the end of each term there will be a House prize so get collecting as soon as you can!

These are our new House Shields:

Thank you to everyone who was involved in the competition. There are elements from many different designs and I am sure you will agree, they look fantastic!

## 6. School Food Policy

Following our Class Council meetings, we have finalised our snacks and healthy lunch list for the School Food Policy. We have decided we would like to make it clear what is and is not allowed in school. This is what is on our list:

Healthy Snacks:

- Rice cakes
- Raisins (any dried fruit)
- Fresh fruit
- Bread sticks
- Cereal Bars (must not contain nuts or say 'may contain nuts')
- Cheese and crackers

NO nuts and NO chocolate

The School Council section of the School Food Policy is being checked by Mrs Ellis and will be shared with our Governors at their next meeting.

**What next?**

Read these minutes to your classmates and bring the results to the next School Council meeting.

Thank you to all of our School Council members for making school a better place.

Mrs Richards

*Thank you,*
