*Working **together** to be the **best** that we can be.*

19th April 2024 – weekly bulletin

Working Together for Excellent Attendance.

Well done to Cherry Blossom class who had the best attendance this week with 100%!

Everyone took part in den building on Thursday this week. The classes spent the day working in teams to build their own shelters. Everyone worked well together, and the children had lots of fun.

Some families have not contributed towards den building costs. If you are able to contribute to ensure enrichment activities like Den Building can continue, please do so on ParentPay.

Absences

Please can families make a **phone call each day** their child is unwell and **speak to a member of staff**. This should be on every day that they are absent. This can be followed up with an email.

This is in case a member of staff needs to ask any supplementary questions – it is part of the commitment to safeguarding to ensure that we are speaking to families about absences and that we have the chance to check in and see if our families require any support or assistance.

Please ensure that absences are reported by 9:15am at the latest. If it is easier, you can email and then make a phone call.

Ordering school meals

There have been some days this week where a meal has not been ordered for a child. This means a meal is not prepared for that child, and so the meals that have been ordered have to be reduced slightly to provide a meal for the child without a meal.

Please check that you have ordered meals for your child for next week and beyond.

Please also bear with us while we run through the cycle of options and numbers of orders for each meal and the delivery cycle. There are always a few teething issues with any new process / system.
