Dear Parents/Carers,

We are inviting all children (and adults if you wish!) to take part in a summer reading challenge this summer, by Book for Topics. Each child will bring home a Summer Reading Bingo challenge card, which has twenty-five challenges for them to complete over the summer holidays (a pdf of the summer reading challenge is attached). Research shows that kids who read over the summer are better prepared for the coming school year. We hope that over the summer children will continue to grow their love of reading, try new books and re-read favourites.

On the first day back in September children are encouraged to bring in their bingo cards so in the first celebration assembly they can receive a certificate for completing the summer reading challenge. Children will be awarded:

- Gold for completing a full house.
- Silver for completing two lines.
- Bronze for completing one line.

But we need your help..... When school finishes for the holidays please help your child to keep up the challenge by talking about the books they are reading. For book recommendations you can visit:

Thankyou for your support,
