## RAINBOW

Hunt around your house for items of each colour of the rainbow.

What can you find?

Take a picture of your rainbow and post it on Twitter or email it to school!

## SAY IT OUT LOUD

Let's have fun with tongue twisters today.

My favourite is : *Fuzzy Wuzzy was a bear, a bear was Fuzzy Wuzzy. When Fuzzy Wuzzy lost his hair he wasn't fuzzy, was he?*

Can you learn it by heart? How quickly can you say it?  
Do you know any others? What are your family's favourites?

You could send us a voice note or a video of you tongue twisting today!

# @GIS\_Federation Daily Challenge!

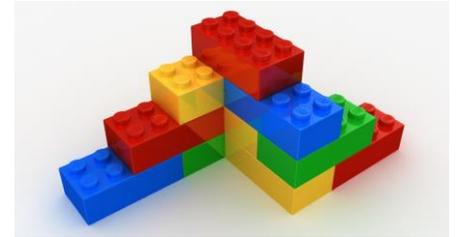

## BRICK PARTY

Use some bricks to build a simple model and hide it from your partner.

Describe the model to your partner so they they can build it too. You mustn't touch their bricks, you can only use words!

Compare the two models – are they the same? Send us in a photo so we can see!

Make this trickier by giving yourselves a time limit.

# @GS\_Federation Daily Challenge!

## BIG ADVENTURE

Can you make a big adventure for a mini figure?  
A Lego person or any other tiny toy would work well.

Position them somewhere (I did mine in a plant pot)  
and take a close up photo making them look like they  
are having a adventure in a giant world!

You could even animate it and make a mini movie  
using stop-motion apps.

# @GS\_Federation Daily Challenge!

## VE DAY

Tomorrow is the 75<sup>th</sup> anniversary of VE Day. Can you find out why this is important and why we celebrate it?

Today's challenge is to make something to share in the celebrations.

You could:

- Make bunting decorated with vegetable prints or Union Jacks;
- Make paper aeroplanes and decorate them to look like Spitfires;
- Have a paper hat decorating competition;
- Bake something traditional like fairy cakes or a Victoria Sandwich;
- Make a poster celebrating VE Day.

# @GS\_Federation Daily Challenge!

LET'S BUILD IT!

Can you build your favourite place?

You could use Lego, recycling or other craft materials or objects you have available.

Post a picture of your creation for us to see!

Mrs Robson's Oscar's Clifford's Tower

## CHEEKY CHOPSTICKS

Find some chopsticks or, something you can use as chopsticks like pencils, pens, the end of a spoon!

Then, use something small and round like beads, peas or beans.

Your challenge? To use your 'chopsticks' to pick up 10 of your object in a row **without dropping them!**

Send us a video of your attempt!

# @GS\_Federation Daily Challenge!

## WORD WHIZZ

Here are 9 letters, what words can you make from them? BONUS POINTS for the full 9 letter word that's hidden! Can you make your own grid for us to try?

E	E	D
U	A	T
N	V	R

# @CS\_Federation Daily Challenge!

## KIM'S GAME

You will need: a tray and 20 small objects.

Place the objects on the tray and spend 2 minutes looking at them and touching them so you can remember everything that is there.

Close your eyes while one of the objects is removed. Can you work out which one it was?

Can you take photos and let us play too?

**Make it easier** by using less objects.

**Make it harder** by covering the tray with a cloth and trying to list all of the objects.

Don't forget to tidy all your objects away!

# @GS\_Federation Daily Challenge!

## CLOVER HUNT

Everyone wants to find a four-leaf clover - they're supposed to be very lucky!

While on your walk, or in your garden, can you find one? Torn leaves don't count!

Then, if you do, you can press it (between heavy books) which will help you preserve it so you can keep it!

If you find any...share the luck with a photo!

# @GS\_Federation Daily Challenge!

## BLUE PETER BADGE

Today - why don't you look into applying for a Blue Peter Badge? You can get them for LOTS of different things including: music, sport, writing and art!

Here's a link where you can find out more!

<https://www.bbc.co.uk/cbbc/joinin/about-blue-peter-badges?collection=blue-peter-badges>

# @GS\_Federation Daily Challenge!

## HOUSE OF CARDS

Today's challenge takes some skill...

Find a pack of cards (doesn't matter what cards they are!)

Can you build a house of cards from them? How many tiers can you make it?

Take a picture and share your creation!

# @GS\_Federation Daily Challenge!

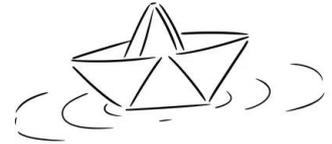

## FLOATY BOATY

Can you make a paper boat and try and make it float?

What will you need to do? What structure will it need to have?

Think about if it might need something else to help it...

We'd love to see a picture or video of your attempts!

# @GS\_Federation Daily Challenge!

## COIN CATCH

Can you catch a coin? You're going to need quick reflexes for this one!

1. Put the back of your hand on your shoulder with your elbow straight in front of you.
2. Pull your elbow quickly to your side (it will make the coin go into the air!)
3. Flip your hand over and...
4. CATCH THE COIN!

If you find it easy, can you use 2, 3 or 4 coins and catch them?

We can't wait to see your attempts at this!

# @CS\_Federation Daily Challenge!

## HUMAN SHAZAM

Shazam is an app that can identify music from a few seconds of the song being played.

Can you make a 10 song music quiz for your family to be **human shazams** to? Or, can someone in your household make a quiz for you to be a **human shazam**?

Maybe you could make a video of the song intros for us to guess!

# @GS\_Federation Daily Challenge!

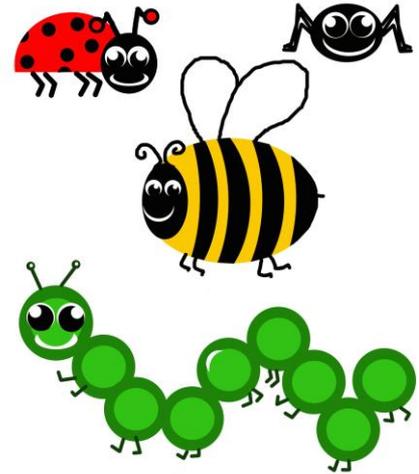

## BUSY BUGS

There will be lots of different bugs living outside, even in your garden.

Can you see what bugs you can spot and then design and make them a bug hotel?

Think especially about what materials you use – they should be natural – no extra plastic in the environment!

We would love to see a picture of your designs.

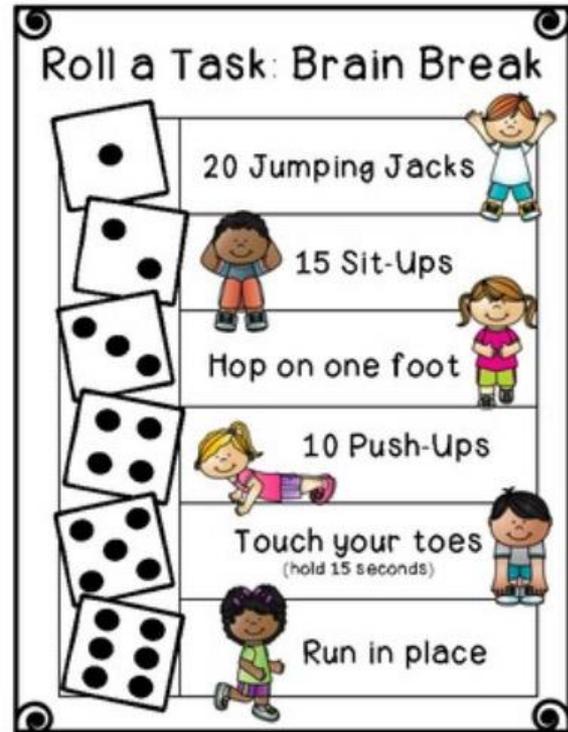

# @GS\_Federation Monday Daily Challenge!

## ROLL A WORKOUT

Grab a dice and create your own work out today!

How long can you keep going for?

Send us a video!

# @GS\_Federation Tuesday Daily Challenge!

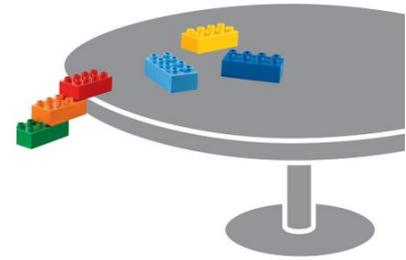

## HANGING AROUND

Grab some Lego or Duplo and place one brick close to the edge of the table.

How many bricks can you get to hang off the edge of the table?

Is there any way to increase your number? Can you think of something you can do to help it to balance?

Send us a photo of your bricks!

# @GS\_Federation Wednesday Daily Challenge!

## PAPER TOWERS

Using only 5 sheets of paper and some sticky tape, what is the tallest tower you can build?

It must be able to stand up alone without you supporting it.

Use a tape measure to check how tall your tower is.

Send us a photo and your measurements, who will be the Federation's Master Tower Builder?

# @GS\_Federation Thursday Daily Challenge!

## NATURE BOARD

You will need:

- some cardboard or a stick
- elastic or string.

Go on a hunt for nature on your walk (following the government guidelines!) Attach it to your board or stick. Here's an example for you.

Send us a picture of your nature collection.

(Picture instagram - @school\_of\_mumma)

# @GS\_Federation Friday Daily Challenge!

## MUSIC MAKER

What items around the house can you use to make a musical instrument?

You could use - elastic bands, glasses and water (check with your parents for that one!), a stick and rough material, bowls and pans. Or think of some completely different objects!

What song can you play us? Remember to send us a video or a voice note of your performance!

# @GS\_Federation Monday Daily Challenge!

## 20 QUESTIONS

Think of a person, place or thing. Give the other players a clue e.g. I am thinking of something you can wear ...

They can ask 20 questions to try and guess what it is but you can only answer 'yes' or 'no'

This is a great one to play by text with a friend or family member.

Let us know how many questions it took you to guess successfully!

# @GS\_Federation Tuesday Daily Challenge!

## SNEAKY SNEAKY

You will need: Something noisy like a crisp packet or a bunch of keys, a water pistol, a blindfold.

The listener puts the blindfold on and sits with the noisy object near to them.

The sneakers have to try to sneak up and steal the object away.

If the listener hears a sound, they fire the water pistol in that direction. Take it in turns to be the sneaker and the listener..

**Make it trickier** by adding more objects to be collected.

# @GS\_Federation Wednesday Daily Challenge!

## AYE AYE CAPTAIN

Can you create a scavenger hunt for your family?

Create a map (you could even tea-stain it so it looks like a pirate map!)

Mark different places for them to search - you could even have clues to go alongside them!

Share a picture of your map with us when it's done!

# @GS\_Federation Thursday Daily Challenge!

## CLOUD SPOTTING

Often you can see shapes in the clouds - everyone will spot different ones.

During your time outside, what can you see? (Let's hope there are some clouds today!) Send your cloud snaps - I wonder if we will think the same?

If there aren't any clouds today - take your most artistic photo of the weather. That doesn't always mean it has to be the sky!

# @GS\_Federation Friday Daily Challenge!

## PUPPET ON A STICK

Can you make a shadow puppet?

These are made of paper and are made to block the light to form shapes! You could make different ones and create a scene to show a member of your family.

What animals (or people!) might you create?

We'd love to see a picture or video of the results!

## 3 LITTLE PIGS

Draw a picture of one of the 3 little pigs on a piece of paper.

Now build it a house, you could use:

- straws,
- straw that you may have for a pet,
- sticks that you collect from outside,
- cocktail sticks and mini marshmallows (jellies or raisins would work too)
- Paper or card.

When you are happy with your structure, put your pig inside and use a hairdryer to see if your house would be safe from the Big Bad Wolf!

# @GS\_Federation Friday Daily Challenge!

## MARBLE RUN

Can you design and build a maze that a marble can run through?

You could use sticks or straws stuck onto card or a paper plate. You could draw the maze out first, then attach the structure.

Who can manoeuvre the marble through your maze in the quickest time?

# @GS\_Federation Monday Daily Challenge!

## COOKIE MONSTER

Put a biscuit or small cracker onto your forehead.

The challenge is to move it into your mouth only using your facial muscles. If it falls off, you have to start again!  
How quickly can you manage it?

# @GS\_Federation Tuesday Daily Challenge!

## EMOJI MAKER

Do you have a favourite emoji? Which one is it and why?

Can you design a new emoji? What would it mean and when would people use it?

You could cut out a circle and make your own emoji mask or use a paper plate if you have one.

We'd love to see a picture!

## FLYING FISH AND FANS

Today we are going to race fish! You will need 2 pieces of paper per person for this challenge.

Use one piece to design yourself a fish, decorate it and cut it out.

Decorate the other piece of paper and fold it into a fan.

Decide on your race track, place your fish at the start line and off you go!

You can only move your fish by fanning it. Who will win the race?

If you have cardboard tubes, you could decorate these and blow your fish instead or maybe try rolled up newspapers or magazines! Which is the best?

# @GS\_Federation Friday Daily Challenge!

## DO YOU SEE WHAT I SEE?

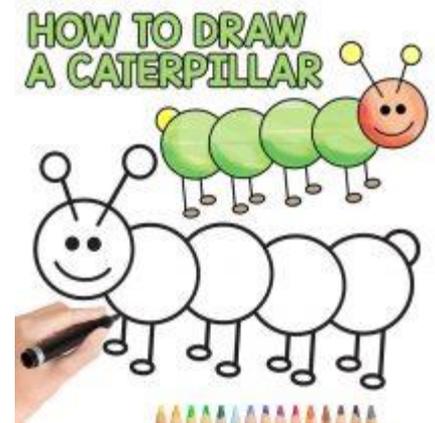

Draw a picture of anything you like.

Now write a set of instructions explaining how to draw your picture.

Give them to someone else to follow but don't let them see your picture!

When they have finished, compare their picture with yours – how did they do?

We'd love to see how it went!

# @CS\_Federation Daily Challenge!

## CAN YOU PEEL IT?

Can you remove the peel from an apple  
in one without letting it break?

Make sure you ask an adult first before  
using something sharp!

# @GS\_Federation Daily Challenge!

## BACKHAND BALLOON BALANCE

Blow up a balloon and balance it on the back of your hand.

How long can you keep it in the air for?

Is one hand better than the other?

Do you get better if you practise more?

# @GS\_Federation Daily Challenge!

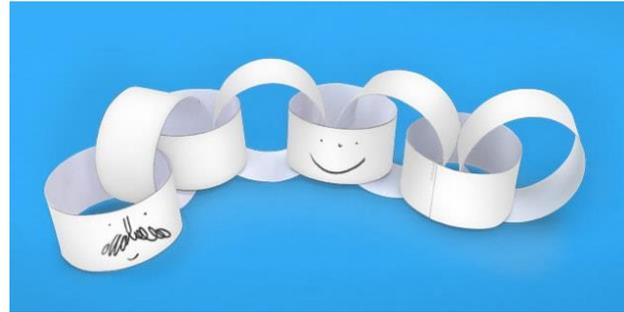

## PAPER CHAIN

You will need:

1 piece of A4 paper

Glue

Scissors

What is the longest paper chain you can make with only 1 piece of paper?

# @GS\_Federation Daily Challenge!

## FOLLOW ME ....

Today's challenge is like a physical version of the game 'I went to the market'.

The first person performs an action (e.g. 3 star jumps).  
The second person has to copy that action then add one more of their own.

Back to person number 1, they have to now perform all 3 actions in order and so on.

How many actions can you remember?

# @GS\_Federation Daily Challenge!

## HOT HAIR

Draw a face but don't include any hair, leave space at the top of your page to add it in.

Use different materials to create hair for your picture you could:

- Use watery paint and blow through a straw
- Cut pictures from old magazines (ask first!)
- Use different textures of materials e.g. wool leaves, twigs
- Fold and curl paper in different ways and colour it in different colours too.
- You might want to enhance other features on your face too.

Maybe you could make portraits of your family or friends!

## LAST DAY CHALLENGE

Friday, 17<sup>th</sup> July is the last day of the school year.

Draw around your hand. On one side write down 5 things you have learned this year, one on each finger.

On the other side write down 5 hopes that you have for the next school year.

Thank you and your families for all your hard work – we will see you soon!
