

# GOLDSBOROUGH and SICKLINGHALL Federation

## Half Term Newsletter: Autumn 1 Sicklinghall Community Primary School

**20.09.19**

This week we have been thinking about how our actions create ripples; those that have a positive impact and those which may create a negative impact. Our Ethos Statements really are making the children think about their actions and the world around them.

The children have such fantastic characters – I really feel like I’m getting to know them now and love popping in to each class as I walk around to say good morning or good afternoon. I am certainly giving out lots of sparkly Headteacher stickers!

### There are few housekeeping messages this week:

Firstly, the World UCI Cycling championships are happening next week. How exciting! It has been hard to predict the impact but from the information presented to us. May I please reiterate that we understand that there may be some delays to your journey. Breakfast Club space is available should children need to be dropped off earlier than usual. Where other foreseeable delays or difficulties may arise for individual families, children may be collected earlier in the school day – ideally after their afternoon registration mark – to make the situation more manageable.

**PTFA:** The PTFA are holding their AGM on Thursday 26<sup>th</sup> September at 7pm, Sicklinghall Community Primary School. Everyone is welcome!

### Hens... not quite!

The school chickens are doing a fabulous job of laying eggs! If you would like to buy any eggs please sign up with Miss Bartlett. They cost £1 per box and the money used pays for their upkeep.

Though we love our chickens, we have recently realised that one of them (Rodney!) is in fact a noisy cockerel! Unfortunately, this is generating complains from our residents as he won’t stop cock-a-doodle-do-ing and is actually starting to outgrow the enclosure.

We would love him to go to a home where he has more room! Please get in touch with Miss Bartlett as it would be preferable if he went to someone we know.

Next week we will continue to think about the theme of Kindness while linking to the idea of Creation and how we can create good things for ourselves and others. Our Ethos Statement next week is:

GOLDSBOROUGH and SICKLINGHALL  
Weekly Ethos Statement
