Dear Parents and Carers,

Increasing data allowances on mobile devices to support disadvantaged children

There is a scheme to temporarily increase data allowances for mobile phone users on certain networks. This is so that disadvantaged children can access remote education. To apply you must fit into all 3 criteria below:

- Do not have fixed broadband at home
- Cannot afford additional data for the devices
- Are experiencing disruption with face-to-face education

The mobile networks included are:

EE

O2

Sky Mobile

SMARTY

Tesco Mobile

Three

Virgin Mobile

Vodafone

School may be able to request 4G wireless routers for disadvantaged children who also fit all 3 criteria above and who are experiencing disruption.

If you feel that you require this help, please contact the school office by email at adminscps@gsfederation.com
