Dear Parents and Carers,

Re: Transition

In recent weeks we have been trying to work out how we can offer some remote contact before the end of term.

We have been making great strides towards using Microsoft Teams; using this for Staff Meetings and Governors Meetings.

The children have been set up with their own school email addresses and linked to a Class Team but as we are not in school, it is difficult to teach them how to use Teams. This is something we will continue to develop when we get back as it will help us in the future should school need to close for any reason.

Teachers will use your parent email address to invite you to the session below.

You will receive an email notification about the Teams meeting.

If you are unfamiliar with this, please explore the many pieces of information online (Links below).

You could even download it to practise with family and friends.

<https://support.microsoft.com/en-us/office/using-video-in-microsoft-teams-3647fc29-7b92-4c26-8c2d-8a596904cdae>

If you do not consent to us using your email address for this reason or if you do not wish to participate please let the administrators know no later than Wednesday 1st July 2020.

Children in school can access it alongside their teacher in their classroom environment.

We cannot promise it will be faultless but we are going to have a go! The sessions will be approximately 30 minutes long.

Quality Mark
Awarded for face to face delivery of mentoring and training in initial teacher training

For Key Stage Two, the children and teachers will:

Current Class – Share memories of their favourite piece of learning; a memory from the past year and share something they have done since school has closed.

New Class – Share their favourite subject at school; something they enjoy doing out of school and something they feel their new teacher should know about them.

For EYFS and KS1, the children and teachers will:

Current Class – Share memories of their favourite piece of learning and share something they have done since school has closed.

New Class – Share a story read by the teacher; talk about something they enjoy doing out of school.

You may wish to discuss this with your child so that they have some ideas to share on the day.
